

THE HEART OF MICHAEL DOTTIN MINISTRIES

OUR VISION

To see God's presence and power unleashed through corporate worship worldwide.

OUR MISSION

To equip worship-leaders, worship teams, and pastors with biblical teaching and training that promotes effective ministry.

OUR CORE VALUES

- We value the ministry of music and its impact on the local church (Colossians 3:16).
- We value equipping and mobilizing God's people for service (Ephesians 4:11, 12).
- We value excellence in ministry because it honors the Lord and inspires His people (1 Corinthians 15:58).

"He has the ability to make you laugh, cry, and think deeply about God's awesome presence and how we can attract that presence into our daily lives through praise and worship. He is truly a gift to the body of Christ and I look forward to ministering together with him in the future."

“We had Minister Michael Dottin at our first Worship & Music Seminar. Those who attended are still talking about it. It was done in the utmost of excellence. We are taking many of his principles from the seminar and adapting them to other areas of ministry as well. Professionalism, informative, straightforward, beautiful music, and Spirit-led are a few terms that describe Michael’s ministry and his team. We plan to have him on our calendar every year.”

TESTIMONIAL

“I first met Michael Dottin in the early 1980s and for a few years we were members of the same church. Although our ministries eventually took us in different directions, our paths crossed again in 2008. By this time, my wife and I were pastoring a 4-year-old church and we had a worship team that was struggling with low morale. Michael pitched in for us several times when we were in need and each time God used him to bring our worship to a new level. He quickly became our “go to” worship leader.

Michael is now playing for us regularly. His skill as a musician and his discipline as a leader have given our worship team new life; his personal connections have drawn new people to the team. Under his Spirit-led direction, our Sunday worship is better than ever.

Eva Norman, a musician and part of our worship team, adds, “Michael has been a huge blessing to our worship team. He brings patience, skill, vision, and the inspiration of the Holy Spirit to his work. Our team has become more disciplined, organized, focused, and competent. More importantly, our congregation is experiencing God’s presence in more significant ways.”
