

WORSHIP CONSULTING AND TRAINING

enhancing worship and sustaining technical excellence

Michael Dottin Ministries

Michael Dottin Ministries is now offering **Worship Consulting and Training** services to local churches.

Here's What We Offer:

The Ministry of the Worship Team and Choir

- Understanding the biblical purpose of the ministry of music
- Forming the spiritual disciplines for effective ministry
- Knowing the requirements necessary for serving

Backing Tracks For Worship Bands

- Using backing tracks (stems) to enhance your worship band
- Selecting "original" tracks to build your worship set
- Controlling tempo, change the key, and much more with your iOS device
- Finding the right earbuds and equipment needed

Prophetic Worship

- How to practice the presence of God daily
- The importance of hearing the voice of God in corporate worship
- Using your voice and instrument as a prophetic tool
- Overcoming the fear of delivering a prophetic word
- How to create space for prophetic worship in a church service

EasyWorship Workshop

- Using worship presentation software
- Choosing the correct projector
- Selecting the right laptop or desktop
- The projectionist as the visual worship-leader

Audio Training Workshop

- Learn how to properly mix vocals, instruments and backing tracks
- Conducting sound-checks
- Handling microphone feedback
- Using signal processing devices
- Troubleshooting
- Introduction to digital mixers

Video Production Workshop

- Starting a video ministry on a budget
- Understanding the equipment involved
- Finding the best pricing

Facebook Live Workshop

- Preparing your script and introduction
- Choosing the right camera and microphone
- Broadcasting from your desktop, laptop, tablet or phone
- Improving audio quality
- Utilizing streaming software
- Finding the best video capture device
- Using proper lighting and background
- Using a moderator while streaming

Uplighting

- Understanding the purpose of lighting
- Choosing the right lighting system for your space
- Proper placement for lighting
